

Saint Nicholas School Required School Uniform 2021

PURPOSE: The school uniform program was established from to have students dressed in an appropriate, attractive, and classic style for our academic, cultural, and recreational activities. Logos and style make our students distinctive and outstanding in the community. The uniform program is managed by the school to be a fundraiser which goes into the general fund. Fundraisers keep tuition costs lower, and we ask parents to enthusiastically support our uniform program. Gently used uniforms may be turned into the office and will be used for the Used Uniform Sale. Students are required to be in full uniform from the first day of attendance.

GENERAL: Uniforms are ordered from the school's website, and other substitute uniform sources will not match and are not acceptable. *Orders should be placed by March 1st for summer uniforms and by June 1st for fall uniforms to be filled on time.* Uniform apparel manufacturing does not function like fashion clothing. Orders must be placed up to a season early for us to have access to full stock. Also, uniforms for preschool students are custom orders.
